- 8.2 The price for the Goods and Services is exclusive of any tax, including any Goods and Services Tax within the meaning of the A New Tax System (Goods and Services Tax) Act 1999 (Cth) ("GST"), duty or impost levied in respect of the Deliverables Goods and Services (other than any tax assessable on ICS's own income).
- 8.3 The price for the Goods is given on an ex-works basis and where delivery takes place other than at the Seller's premises the Buyer shall pay the Seller's charges for transport, packaging, loading, unloading and insurance and any other costs arising from the transportation of the Goods from the Seller's premises, unless otherwise agreed.

- 9.8 Where appropriate, if the Buyer fails to make payment on the due date, the Seller shall be entitled to suspend performance of the Contract until payment is made. - 9.9 The Seller shall at its discretion and at any time have a right to set off any payments due from the Buyer against sums due from the Seller to the Buyer in circumstances when the parties have mutual trading arrangements.
- 9.10 If in the Seller's view, the Buyer's credit-worthiness deteriorates or otherwise causes concern to the Seller before delivery of the Goods or performance of the Services, the Seller may require payment in full or in part of the price of the Goods and Services prior to delivery or performance, or the provision of security for payment by the Buyer, in such form as is acceptable to the Seller.
- 9.11 Notwithstanding any appropriation by the Buyer to the contrary, all payments made by the Buyer to the Seller shall be appropriated first to Goods which have been resold by the Buyer and then to Goods which remain in the Buyer's possession or control.
- 9.12 The Seller shall have a general lien on all of the Buyer's property in the Seller's possession (although the Buyer may have paid for it in full) in satisfaction of any amount owed by the Buyer to the Seller under any Contract, and may deal with it as it sees fit.

10. QUALITY

- 10.1 Where the Seller is not the manufacturer of the Goods the Seller will endeavour to transfer to the Buyer the benefit of any warranty or guarantee given to the Seller.
- 10.2 The Seller warrants that (subject to the other provisions of these Conditions), upon delivery, the Goods will, and for a period of 12 months from the date of delivery, comply with their specifications and be of satisfactory quality within the meaning of the Sale of Goods Act 1979.
- 10.3 The Seller shall not be liable for breach of the warranty in condition 10.2 unless:
- 10.3.1 The Buyer gives written notice of the defect to the Seller and, if the defect is as a result of damage in transit for which the Seller is responsible, to the carrier within 5 Working Days of:
- 10.3.1.1. The date of delivery (where the defect would be apparent to the Buyer upon a reasonable inspection); or
- 10.3.1.2. The date when the Buyer knew or ought reasonably to have known of the defect (where the defect would not be apparent to the Buyer upon a reasonable inspection); and
- 10.3.2 The Seller is given a reasonable opportunity after receiving the notice of examining such Goods and the Buyer (if asked to do so by the Seller) returns such Goods to the Seller's place of business at the Buyer's cost for the examination to take place there.
- 10.4 The Seller shall not be liable for a breach of the warranty in condition 10.2 if:
- 10.4.1 The defect arises because the Buyer failed to follow the Seller's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice; or
- 10.4.2 The Buyer alters or repairs such Goods without the written consent of the Seller; or
- 10.4.3 The defect in such Goods arises from any design defect in any drawing, design or specification supplied or approved by the Buyer.
- 10.5 If the Buyer makes a valid claim against the Seller based on a defect in the quality of the Goods, the Seller shall, at its sole option, repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro-rata price of the Goods. The Seller shall not be liable for any freight, duty, or travel costs related to any claim.
- 10.6 If the Seller complies with condition 10.5 it shall have no further liability for breach of the warranty in condition 10.2 in respect of the quality of such Goods.
- 10.7 Any Goods replaced will belong to the Seller and any repaired or replacement Goods will be guaranteed on these Conditions for the unexpired portion of the 12 month period from the date of delivery of the original Goods.

11. LIMITATION OF LIABILITY

- 11.1 The following provisions and the provisions of condition 10 set out the entire liability of the Seller (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:
- 11.1.1 Any breach of these Conditions; and
- 11.1.2 Any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.
- 11.2 All warranties, conditions and other terms implied by statute or common law are excluded from the Contract to the fullest extent permitted by law.
- 11.3 Nothing in these Conditions excludes or limits the liability of the Seller for death or personal injury caused by the Seller's negligence or fraudulent misrepresentation.

THE BUYER'S ATTENTION IS IN PARTICULAR DRAWN TO THE PROVISIONS OF CONDITIONS 11.4 AND 11.5

- 11.4 Subject to conditions 11.2 and 11.3:
- 11.4.1 The Seller's total liability in contract, tort, negligence, breach of statutory duty, misrepresentation or otherwise, arising in connection with the Contract shall be limited to the price of the Goods and Services for which payment has been received by the Seller, whichever is the lower.
- 11.4.2 The Seller shall not be liable to the Buyer by reason of any representation or any implied warranty, condition or other term or any duty at law or under the express terms of this Contract for any direct, indirect or consequential loss or damage (whether for loss of actual or anticipated profit, loss of business, loss of savings, injury to reputation, depletion of goodwill or otherwise), costs, expenses or other claims for consequential compensation whatsoever (whether or not caused by the negligence of the Seller, its employees, agents or sub-contractors) which arise out of or in connection with the Contract.
- 11.5 If any Goods are to be used for tank, torpedo, submarine and/or aircraft applications, the warranty given in condition 10 above shall only apply if the Goods have been commissioned and maintained by a person or organisation approved to do so by a relevant regulatory authority and in accordance with the Seller's current maintenance manual. The Seller shall not be liable for any breach of warranty under condition 10 unless the Buyer has maintained records of the history and maintenance of the Goods and prepares a detailed written report of any alleged defect. The Goods must be returned to the Seller for inspection as soon as possible after the alleged defect is brought to the Seller's attention.

- 11.6 The Buyer shall indemnify the Seller against all liability, actions, proceedings, costs, claims, damages or demands in any way connected with this Contract brought or threatened to be brought against the Seller by any third party, except to the extent the Seller is liable to the Buyer in accordance with these Conditions.

- 12.2 The Seller's rights contained in condition 7 (but not the Buyer's rights) shall continue beyond the discharge of the Buyer's and the Seller's primary obligations under the Contract consequent upon its termination.
- 12.3 The termination of the Contract howsoever arising shall be without prejudice to the rights and duties of either the Buyer or the Seller accrued prior to termination.

13. INTELLECTUAL PROPERTY RIGHTS

- 13.1 All patents, copyright, trademark, design rights and any other intellectual property rights relating to the Goods shall remain the property of the Seller. - 13.3 The Buyer shall indemnify the Seller against all actions brought against the Seller in relation to intellectual property rights resulting from any specification or instruction given by the Buyer in relation to the Goods.
- 13.4 If at any time it is alleged that any Goods (which are manufactured to the Seller's specification) infringe the rights of any third party or if in the Seller's reasonable opinion such an allegation is likely to be made, the Seller may at its option and at its own cost:
- 13.4.1 Modify or replace the Goods;
- 13.4.2 Procure for the Buyer the right to continue using the Goods; or
- 13.4.3 Repurchase the Goods at the price paid by the Buyer less depreciation at the rate the Seller applies to its own equipment.

- 13.6 If the Seller or its employees or agents design the Goods or Services pursuant to a commission from the Buyer (whether to fulfil an Order or otherwise), any intellectual property rights created in relation to such Goods shall vest in the Seller and the Buyer shall do or procure the doing of such further acts and execute or procure the execution (as a deed or otherwise) of all such documents as may from time to time be necessary to give full effect to this condition.

14. NOTICES

- 14.1 All notices must be in writing to the Seller's registered office by recorded delivery. Notices so served will be deemed to have been delivered 2 Working Days after posting (exclusive of the day of posting).

15. CANCELLATION

- 15.1 The Seller reserves the right (without prejudice to any other remedy) to cancel any incomplete Contract, stop any Goods in transit or suspend delivery or performance of the Contract in the event that any of the Buyer's obligations to the Seller are not met or if, in the Seller's opinion, such commitments would not be met by the Buyer.
- 15.2 If the Buyer cancels or purports to cancel the Contract or any part thereof or refuses to accept receipt of any Goods or Services at the time agreed (if any), Buyer shall be liable (without prejudice to any other rights of the Seller) to indemnify the Seller against any loss, damage or claim resulting from such cancellation or purported cancellation including (but not limited to) payment of license or other fees, the costs of any materials, plant or tools used or intended to be used and the cost of labour and other overheads.
- 15.3 In the event the Seller cancels the Contract by reason of any breach on the part of the Buyer then the Buyer shall remain liable to the Seller in respect of the full purchase price of the Goods and Services, save that the Seller will make due allowance in respect of any materials saved or salvaged or labour not expended.

16. GENERAL

- 16.2 Each right or remedy of the Seller under this Contract is without prejudice to any other right or remedy of the Seller whether under the Contract or not.
- 16.3 Any provision of this Contract which is held by any competent authority to be invalid, void, voidable, unenforceable or unreasonable (in whole or in part) shall to the extent of such invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the other provisions of the Contract and the remainder of such provision shall not be affected.
- 16.4 Failure by the Seller to enforce or partially enforce any provision of this Contract will not be construed as a waiver of any of its rights under the Contract.
- 16.5 The Seller may assign, license or sub-contract all or any part of its rights or obligations under this Contract without the Buyer's consent.
- 16.6 This Contract is personal to the Buyer who may not assign, license or sub-contract all or any of its rights or obligations under the Contract without the Seller's prior written consent.
- 16.7 The Buyer will not disclose the existence of the Contract or any of its terms to any employee or third party without the prior written consent of the Seller.
