## LITHIUM

Introducing the **DELTEC LITHIUM** Batteries – Unleash the Power of Tomorrow!

A powerhouse of innovation and cutting-edge technology redefining the standards of energy storage. Engineered to transcend traditional limitations, Deltec stands at the forefront of the lithium battery revolution, offering a new era of efficiency, reliability, and sustainability. Unleash the potential of tomorrow's energy solutions with Deltec, where breakthrough technology meets the power to redefine possibilities. Welcome to a future powered by excellence, welcome to **DELTEC LITHIUM**.

### FEATURES & BENEFITS

**High Cycle Life**

**Extensive Service Life**

**Built In Circuit Protection**

**Long Shelf Life**

**Rapid Charging Technology**

**Extreme Heat Tolerance**

**Lightweight and Compact**

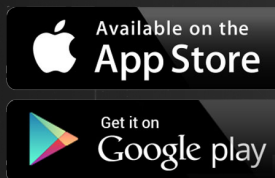

### BLUETOOTH ENABLED

Bluetooth connectivity via the DELTEC LITHIUM app makes it easy to access information for your battery setup at your fingertips.

### APP FEATURES:

- State of Charge (%) & Capacity
- Charge & Discharge Time
- Power (Wh) consumption
- Number of Cycles

## LITHIUM

DELTEC LITHIUM batteries find applications across various sectors due to their advanced features and capabilities.

These diverse applications highlight their versatility and reliability across different industries, contributing to a more sustainable and resilient energy landscape.

### APPLICATIONS

Caravan / RV

4WD / Leisure

Marine / Boating

Solar Storage

Back up Power

Electric Vehicles

Lighting & Medical Equipment

### SUPPORT

For any technical support or enquiries we are here to help. Contact us at:

**Phone:** 1300 355 228
